Subject: RE: DRAFT notes

Hi Rick,

Just to clarify, Nuna Resources and APC were not in the room during this government-to-government meeting with Ekwok, Clark's Point, Curyung, Koliganek, New Stuyahok, and Nondalton. This meeting was organized by BBNC, the 6 tribes, and Nunamta Aulukestai. Nuna and APC were in the room for the session that EPA did at the AK Forum on the Bristol Bay Watershed Update. So, they also received the same information that the tribal organizations did during the G2G meeting.

I will work with BBNC who had told me that they would share the speaker notes and the list of participants in the room.

Thanks! Tami

Hi Tami,

Others in the room should probably include APC and Nuna Resources. I have nothing to add. I didn't take notes. Perhaps Kim would have speaker notes. If not Wayne N. might have them.

INTERNAL DELIBERATIVE

Hi Rick, I have not yet seen the speaker notes (or list of attendees) that BBNC stated they would submit. But I used my handwritten notes to put together this draft. Do you have anything to add? The sentences are not complete, but the major points are there. I have EPA's statement as well if you would like to add that.

If I could get the speaker's notes I could complete this draft. Have you received anything? If not, I can make some phone calls. Worst case scenario I turn this into bullet points.

THANKS! Tami
